## From The Hon'ble Vice Chancellor

'Alkesh Dinesh Mody Institute for Financial and Management Studies' is a renowned department of the University of Mumbai. The institute is providing ample opportunities to the MMS students and help them to acquire pertinent skills and rightful attitude to become skillful employees. The Institute takes a deep interest in grooming students and provides the appropriate platform to establish highly meaningful relations with industry professionals.

**Dr. Devanand Shinde, Ph.D.**  
Vice- Chancellor (Ag)

The institute is providing good infrastructure facilities inclusive of library facility, EBSCO database, ACE Equity database, SPSS Software, and Language lab facility. Institute has instituted tie-up with German Department Of the University of Mumbai for Certificate course in the German language for its students. Institute inspires students to attend workshops, which provide an overview of Capital Markets in a tie-up with BSE.

The institute has also set up Entrepreneur Cell and introduced certificate program in Entrepreneurship with the collaboration of NEN (Wadhvani Foundation).

Institute helps the students to connect and establish best relations with corporate and alumni on regular basis. The institute makes best efforts to groom and develops students as per the current business requirements, irrespective of specializations and domain.

Institute takes great interest in conducting various events related to the world of corporate with high enthusiasm. The placement cell of the institute has been making great efforts for furthering the existing and new corporate connections. In the last academic year (2016-17) Companies of high reputation from all domain areas visited the campus and offered wonderful packages to our best students. This year the Institute has organized job fair with 'Times of India' which was attended by more than 3000 students under the umbrella of the University of Mumbai.

I believe that these consistent efforts of the institute will create the inspiring history of success and help students in building ever shiny career.

## From The Director

Dear Recruiters,

It gives me an immense pleasure to welcome you to Alkesh Dinesh Mody Institute for Financial and Management Studies which is a department of Mumbai University. The institute is relentlessly taking endeavors and develop the institute as per corporate and student expectations. I am pleased to inform you all that this year Institute has been ranked among the best top 20 Government B Schools in India by "The Week –Mars Survey 2017". The institute has also been ranked among top 100 B- Schools in India in the category of "ROI" by Business Today – MDRA survey 2017.

**Dr. Smita Shukla**  
I/C Director,  
M.A, M.B.A, N.E.T,  
Ph.D (Management)

### **Some of the initiatives made in the academic year 2017-18 that focus on student development are:**

- The institute has set up language lab for management students which are very useful to improve their communication skills
- Institute has been offering of "Certificate course in German" for MMS Students in association with Department of German – University of Mumbai.
- The software tools like SPSS, Ace Equity, and EBSCO are being provided.
- Apart from regular entrepreneurship and business interface activities, the institute has been collaborating with NGOs to sensitize students regarding the societal concern.
- To strengthen Institute E –cell which we launched last year, the institute has signed MOU IIT Mumbai, with Lithan – a Singapore based organization, The E Cell is helping students to connect with entrepreneurs and learn from their experiences.

The institute is striving to create future business leaders who can manage and create powerful organizations that can meet emerging market challenges. The course curriculum which has been recently revamped by the University of Mumbai is industry oriented and provides exposure to students to strengthen their theoretical knowledge with practical understanding. Efforts of the institute are complemented by good faculty support and infrastructure of Institute.

Institute maintains active association and interaction with industry. Institute also maintain active connections with its alumni and celebrates the accomplishment of its alumni regularly. Many of our alumni are receiving honors and awards from organizations and have made us proud of their achievements and success. Our efforts are also being recognized by industry and campus offers for final and summer placements are a reflection of the same. Institute is continuously striving to build on its database of companies and its outreach year on year basis.

We look forward to build long lasting and mutually beneficial relationship with you and welcome you to campus placement process for the year 2017-18.

## From The Placement Officer

Dear Professionals,

I am very thankful to each one of you for your trust and support to ADMIS. Because of your support and association with us, the year 2017 brought much success to the institute. We have been ranked among top 20 Government B- Schools 2017 and among top 100 in terms of the highest ROI in the B-School survey conducted by reputed organizations like Week Mars and India Today B-School Survey 2017 in all over India. Apart from these, many of our alumni are reaching new heights and performing excellently in the organization and receiving many laurels from corporates.

**Mrs. Kavita Pandey(Mishra)**  
Placement Officer  
M.A. (Gold Medallist 06),  
M.M.M.

We believe that the success of our institute could not have been possible if you all had not shown your trust in us. Your timely suggestions, interventions, and presence at the institute has made us a stable and recognized B- Schools. Your faith encourages us to work hard and put our best. On behalf of ADMI fraternity, I assure you that each one of us works hard to fulfill your expectations and work towards the best for the welfare of students and corporate expectations.

The year 2016-17 was a very satisfactory phase at ADMIS. We have seen almost diverse sectors on campus and registered around 103 companies for final placements and 62 companies for summer placements. We were able to provide 100 % placement opportunities to students across specialization in Finance, Marketing, HR, and Operations with multiple options in final and summer placements. The innovative approach of placement cell in terms of the corporate interface had connected institute in many new firms and impressed them with ADMIS hospitality and talents of students.

I also thank our first association with Times of India to organize a job-fair at Mumbai University wherein almost 3000 students gave their interview and many of them got selected too in many organizations.

On behalf of institute placement cell, I urge corporates, alumni and students to keep coming to us and inspire us with your good deeds and well being. The institute has a progressive perspective and welcomes each and every one who contribute to creating a difference in B-School progress and student's success

I welcome corporate professionals in this year and look forward to an everlasting association with us.

### ZEST - Intercollegiate Annual Festival

Zest has the vision of promoting all-round development of the students and gives them an opportunity to showcase their talent apart from academics. Be it sports, music, dance or arts, Zest inspires the students to give their creative best and also to have fun while creating beautiful memories.

### INTERNAL MOCK INTERVIEW

They say 'Practice makes a man perfect' and with this aim in mind Institute organized the internal mock interview session where the SYMMS students got the chance to do their net practice before they go for their final interview process for campus placements.

Staff and faculty provided guidelines and helped students to hone their skills for better communication and presentation. The Objective of the activity is to meet the demand of the corporate world.

### EXTERNAL MOCK INTERVIEW

Institute conducts every year mock interview session for SYMMS students before they appear for their final interview of campus placements to make them more confident and well equipped.

There were 20 Senior corporate executives invited this year to do Mock rehearsals of students in the specialization of Finance, Marketing, Human Resource & Operations as per corporate parameters. They evaluated students on the parameters of Basic Introduction ( Opening and Closing ), Soft skills, Competency and Analytical Skills, Appearance and Presentation, Subject knowledge and Current affairs. This Activity helped students to analyze their weak areas in order to work hard to get placed in various organizations.

### HR ENABLE CONCLAVE

Institute in association with HR InfoTech organized a panel discussion on 'Employee engagement through Technology'. The event saw highly acclaimed senior managers gracing the podium. They shared with students their ideas and insights about the future trends that the industry will witness and how to gear up to make the most out of this change in paradigm.

## Industry Interface & Student Development Activities

### FIRST CEO CONCLAVE

The Institute has organized a full day First CEO Conclave on Building India Incorporation. Under the main theme, there were 4 sub-themes for panel discussion ● Finance – International Banking and challenges- Global Markets ● Marketing – Marketing Public Service ● Operations – Empowering Digital India with Infrastructure ● Human Resources – Gearing up Automation. The 14 eminent CEO's of reputed companies delivered their talk on themes and presented their valuable insights.

### TIMES JOB FAIR

Institute in association with The Times of India organized a first mega job fair at the University of Mumbai. The event witnessed the presence of 38 Companies from across sectors to hire the best talent. The Mega Job Fair gave the recruiters an opportunity to recruit eligible candidates & it was a perfect platform for jobseekers to interact with their prospective employers.

There were around 3000 students who appeared and more than 200 applicants got the final placement offer. The Job Fair was inaugurated by the Hon'ble Vice Chancellor and BCUD Director of University of Mumbai.

## Industry Interface & Student Development Activities

### MUNIJAN 2017

'Munijan' is organized every year by University of Mumbai on the occasion of Gandhi Jayanti. The central theme of initiative this year was 'Leveraging Technology For Rural Education'. This event was a platform for management students from various colleges to share various management ideas and initiatives that they believe in and are willing to implement in order to transform society. Students from our Institute were the first runner-up for the event and brought accolades to the Institute.

### CORPORATE FELICITATION

The Institute believes that the roadmap to success is a continuous process. It never happens with the efforts of a single person especially in Management Institutes wherein the learning of academic theories has to match with corporate expectations.

Corporate Felicitation event is a platform wherein institute recognizes and appreciates the support by corporates to provide an opportunity to management students in terms of campus placements for finals and summers. The institute had invited more than 100 recruiters and corporate associates who either recruited or provided an interview opportunity to management students during the year 2016-17. The institute is very proud of its industry-connection and looks forward to an everlasting corporate association.

The logo of our institute ' VISION, ERUDITION, FAITH and CHARACTER' negates INJUSTICE ( ANANYA ), Immortality ( ANNETI ) and GREED ( PRIGRAHA ) in every domain of life.

A vibrant, cheerful, serene, and lush green atmosphere is what greets one as he enters 'Alkesh Dinesh Mody Institute for Financial and Management Studies' at University's Kalina Campus, it being University college.

Apart from having the finest atmosphere it is also rated as one of the Institutes with excellent infrastructure and ambience.

With academic rigor, the college provides students the opportunity to develop their personality. We give our student ample freedom to come up with suggestions and innovations. Our emphasis is on competent holistic development of our students so as to enable them to assume full responsibility as they climb corporate ladder in future.
