SUMMER INTERNSHIP REPORT

**MMS & M.Sc. Finance
2022-23**

Overview

Alkesh Dinesh Mody Institute for Financial and Management Studies (ADMIFMS) has successfully completed Summer Placements for all specializations i.e. Finance, Marketing, HR, and Operation students for the year 2022-23.

Internship is an integral part of any B-School curriculum as it sets the base for management students' broader understanding of the corporate world and develop a holistic perspective. The institute has been providing multiple placement opportunities to the MMS & M.Sc. Finance students to upgrade their personal and professional skills. The institute has undertaken various initiatives to connect the students with industry professionals, social entrepreneurs and experts of eminent. The institute even after the pandemic did not slow down and took affirmative actions for supporting students and relentlessly work towards bridging industry- academia relationships. It was only possible with the support and trust of our regular and new recruiters, alumni, and faculty.

Companies from various domains visited the campus (Hybrid mode) such as FMCG, Consulting, BFSI, Health care & Pharma, NBFC, Consumer durable, Telecom, SCM, publishing house, etc.

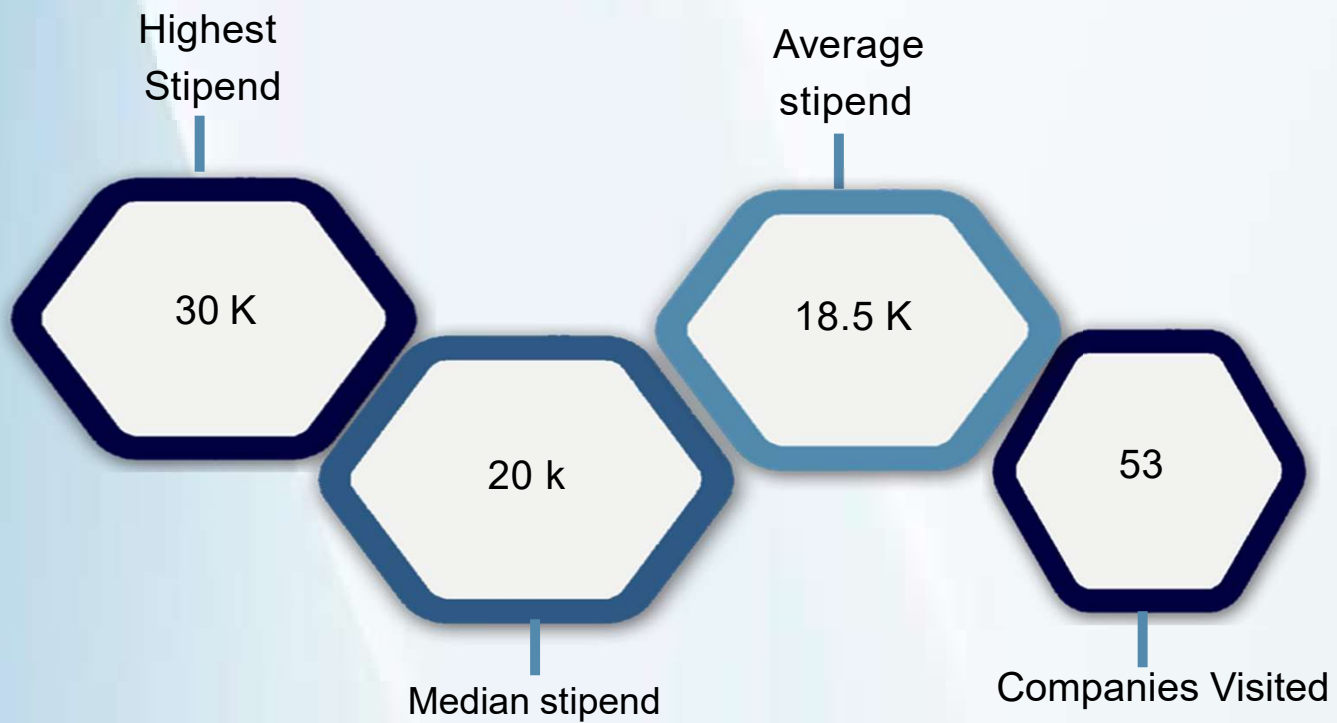

The regular interaction with Director and course coordinators of MMS and M.Sc. Finance also gave lots of confidence to students. The Placement Cell of the institute organizes various corporate events like Guest lectures, Round Table Conference, Seminars, Corporate mock interviews, Panel discussions, etc. These activities help management students to understand the corporate challenges under the guidance of esteemed professionals and expected level of preparations to increase their opportunities to be employable.

The efforts were well-appreciated and extremely visible during the performance of students in Summer Internship interview process and selection in several good companies.

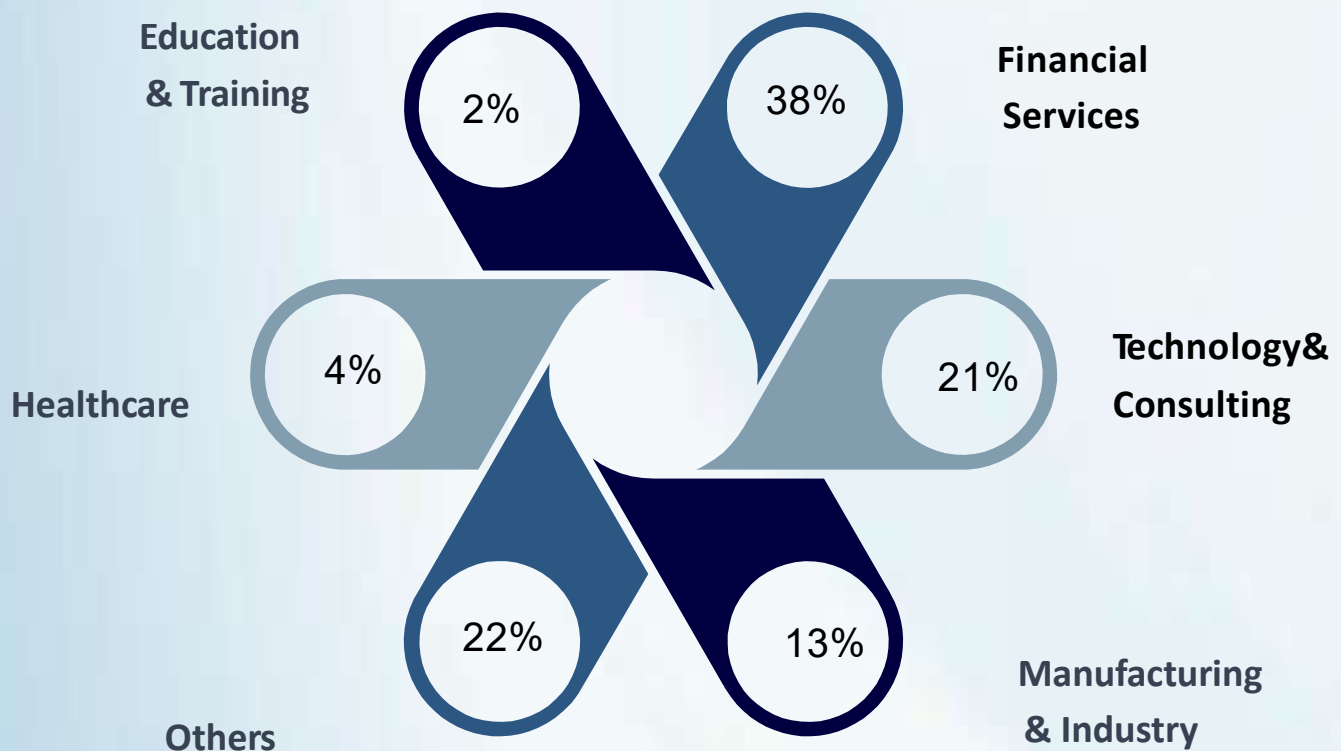

We welcome the industry to be a part of the growth journey of institute and to partner in a mutually beneficial placement process for the year 2023-24.

Specialization wise

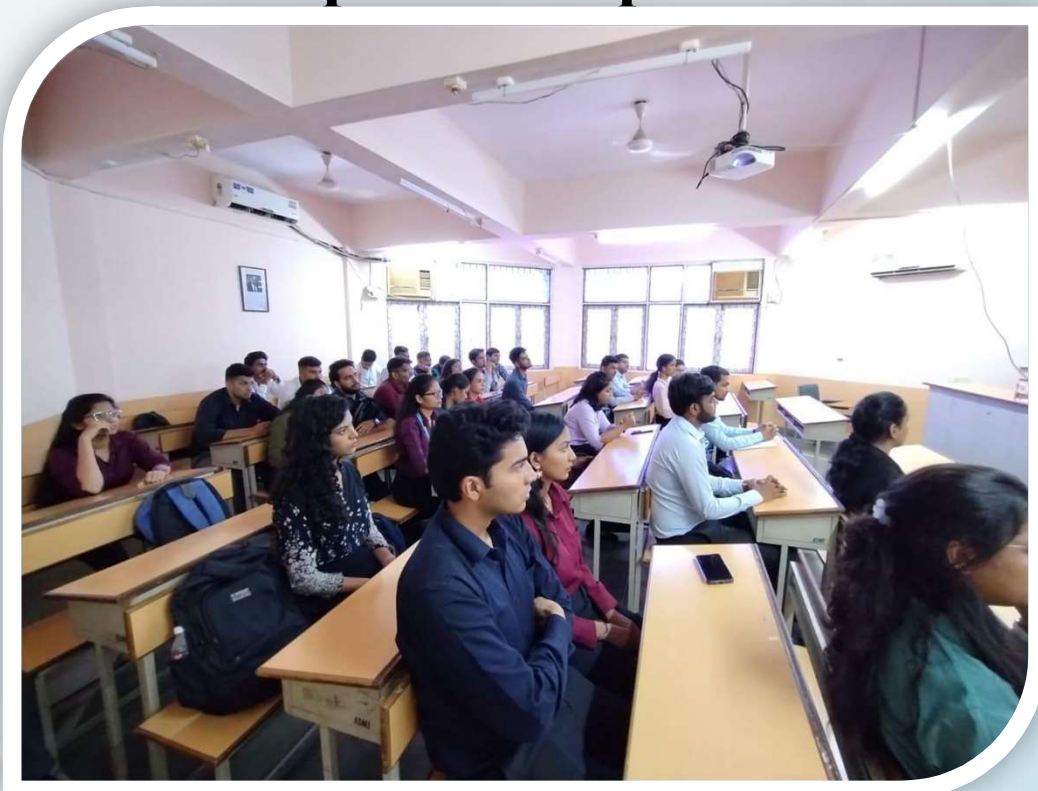

Placement Sessions & Other New Initiatives

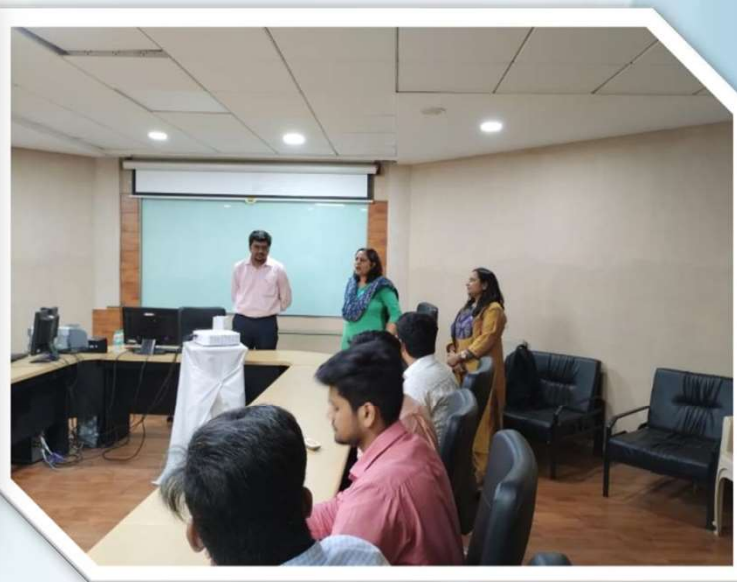

The placement cell of ADMIFMS conducted various online sessions to prepare the students for their summer internship process. The personal and professional development process of students comprises of various activities such as regular grooming sessions by industry experts and the placement officer, organizing technical capability enhancement workshops for the students specialization wise, campus to corporate guest lecture series on topics such as “Effective Resume Writing”, “Preparing for an Interview”, “Leveraging the Art of Networking for Employee Branding”, "How to Build a Career" etc. to prepare students for a successful career ahead.

The placement committee members shouldered the responsibility with rigour and established a customized connection with their peers. Each committee member was allocated 12 to 14 students to get an understanding of their background needs and expectations so that the placement activity of the institute should get aligned as per the students career requirements.

As a result of this strategy, the summer internship process was a great success.

Campus to Corporate

Glimpses of Placement events

Key Highlights of Summer Placements 2023-24:

According to Placement Committee Members, *"The placement cell of ADMIFMS was able to secure 100% placements for its students. This year there is an increase in the Maximum stipend and median stipend. This would not have been possible without the support of Director, placement officer Dr. Kavita Pandey, faculty members at ADMIFMS, and our fellow committee members. This year we had a good mix of regular recruiters and new organizations offering offline / work from home internships for our students. We are grateful to our regular recruiters for showing faith in us and expect the same in the future. We are sure that the students will gain relevant training under experienced professionals and be able to explore their chosen career paths through these internships."*

Banking & Financial Services: -

BFSI Sector has been the major recruiter for summer interns this year. We have had Companies like National Stock Exchange, PWC, Klay Capital, HDFC AMC, Reliance securities Praedico Global Research, AFM Advisory, Agile Capital Services, Mirae Capital Assets, and many others who have taken students every year. There were many companies that also got associated with the institute for the first time. The roles offered were in the domain of Investment Banking, Risk Management, Customer Relationship Management, Wealth Manager, Financial Modelling, Equity Research, etc.

Consulting and General Management: -

Consulting & General Management is another emerging area for the summer placement this year. We have had companies like BIG Strategic management consultants, KRG Strategy Consultants, Neophyte Consulting Services, Vardhan Consulting Engineers, and others. The roles offered were in the domain of Business Analyst, Business Development, Finance Intern, Recruitment, and others.

Logistics & Manufacturing: -

We have been fortunate to have the presence of Companies like BVC Logistics, Sun petrochemical, Blankslate, Tescom, EMIZA and others. They offered roles in the domain of logistics, Supply Chain Management, Business Analytics, Systems Intern, Marketing domain, Project management, etc.

E-Commerce, Retail & FMCG: -

The sunshine sector & evergreen sector of the Indian economy made their presence felt at our campus during the Placement season as well. ADMI had startups and established e-commerce companies vying for the talent pool of management graduates. Companies like AMUL, and many others have offered an internship in the area of digital Marketing, Search Engine Optimization, Backend Operation, Business Development, Market Research, Talent Acquisition among others.

IT, Analytics & Others: -

To keep up with the emerging trends in the market ADMIFMS is also equipping its students in the emerging areas of the market. This year we had students who received their internships in domains such as Data Centre, Analytics, Project Management, Systems Intern, and BI among others. We have had many new-age recruiters such as GCMMF - Amul, Abbott, Neophyte Consulting Services, and many more.

Conclusion:

The Summer Placements for the MMS and MSc Finance Batch of 2022-24 have been a success for Alkesh Dinesh Mody Institute. Our Institute has achieved 100% placements this year as well, in keeping with the trend of the previous years. The new initiatives and the pessimistic approach towards the summer placements helped in achieving the desired outcomes. We are cognizant that such success arises from the joint endeavors of our talented students, dedicated faculties, successful alumnus, consistent efforts of the placement cell, and the continued confidence of recruiters in the knowledge and skills of ADMIFMS graduates.”

Director's Note

It is with immense joy and pride that I congratulate the placement team for their outstanding efforts in ensuring that the summer internship process is carried out in a smooth and efficient manner. I extend my gratitude to the recruiting organizations for showing their faith in our institute even in these difficult times and look forward to a long-term association with them. We are happy to present our students who have been groomed to meet industry requirements and are well equipped to meet the expectation of corporate world.

Placement Officer' Note

Epicurus a great philosopher says, "The greater the difficulty, the more the glory in surmounting it". The objective of the ADMIFMS placement cell is to work hard, be consistent, build a robust industry-academia interface, and develop skills among students to be employable. The outcome of our endeavor was reflected in the summer placements for the year 2022-23. Students for this year secured their internship in hybrid mode across Finance, Marketing, HR, and Operations specializations. The placement cell is thankful to its recruiters and alumni for instilling their faith in us and providing multiple opportunities to students. We look forward to your active participation every year. We also assure to work towards bridging the industry-academia gaps in terms of providing the right talent in organizations.
