## **Webinar on “Managing Summer Internships in COVID 19 Times”**

**Date: - April 12, 2020**

**Time: - 11 am to 1 pm**

Dear Aspirants,

In view of the current situation of nationwide lockdown due to COVID-19, AICTE directs all its Approved Institutes to abide by all the Social Distancing guidelines and other measures promulgated by Government of India and respective State Governments. In view of the above, AICTE advised institutes to instruct students NOT to take up any Internships outside the organizations which involve travel, contact with outsiders, etc. In such a scenario, work from home/virtual internship becomes imperative.

But due to lack of knowledge and required information, there is anxiety, fear, and dilemma among students and TPO fraternity related with two points: - How to Place them and where to place them? The purpose of the webinar is to address these concerns and help the attendee to search the internship at the right platform and professional manner.

The facilitators are confident that with their rich years of work experience will help students and academic institutions to deal with current complex situations.

The interested students/faculty/administrators/learners may register on <https://forms.gle/eDnd1AJXL3GBJDwg7>
