EVENT PARTNERS

Youth4Jobs Foundation is a national organization working with companies and the youth with disability to mainstream them into employment. In the last 8 yrs, Y4J has emerged as the largest organisation in this space. It has trained 16,500 young men and women with disability. Spread across 26 locations in 16 states. Along with that Y4J works with 9 universities and premier institutions in the country.

Alkesh Dinesh Mody Institute for Financial and Management studies, University of Mumbai The Institute was established in the year 1994 as a Department of the University of Mumbai for offering management education with a focus of financial services. The objective of the institute is to bridge the industry-academia relationship and produce effective managers who could lead the organizations with their humble attitude and management knowledge.

Confederation of Indian Industry (CII, Western Region) works to create and sustain an environment conducive to the development of India, partnering industry, Government, and civil society, through advisory and consultative processes. CII has launched an initiative “Enable the Capable” in November 2013 to support building and enriching livelihoods for Persons with Disabilities. Beyond business, it partners with civil society organizations to carryout corporate initiatives for integrated and inclusive development across various domains.
