

Placement Cell

The placement cell at the institute has a crucial role in guiding & assisting the MMS students for their entry into suitable employment and successful career.

The placement cell of Institute provides guidance and all the assistance to the students for achieving their career goals. The cell takes relevant steps in identifying the demands of the industry and prepares the students towards this need. Adequate emphasis is given for soft skills development along with the regular academic program. Group discussions and aptitude tests are conducted at regular intervals to enable the students to improve their performance during placements.

The objectives of the placement cell are as follows:-

- To assist students in career growth and development
- To bridge the existing gap between industry and academia
- To develop and establish a linkage between Industry and Institute
- To support students in personality development
- To organize training programmes for corporate executives on various managerial skills

The placement cell makes an endeavor to enhance the employability of the students by conducting pre-placement industry/corporate related activities like Regular Corporate Guest lectures, Mock interview Sessions, Sector wise Panel discussions and corporate seminar etc. Institute invites mid to top level corporate professionals on campus to guide and groom students as per corporate expectations.

Every year the institute invites national and multinational companies for campus recruitment for final and summer placements. On an average 60-70 % students were placed in last 3 years. The institute has established good understanding with top companies like L&T Infotech, GFK Mode Research, AC Nielson, Capital First Limited, MotilalOswal Financial Services Limited, DSV Logistics, Credence Analytics, Sterling Back check, Euro Asia Consulting, MCCS (ABP NEWS), and many Public sector organizations like HPCL, ONGC, Bank of India, Bank of Baroda, Punjab National Bank for Placements.

Placement policy and Process:-

- The placement process felicitates summer internship for FYMMS and final placement for SYMMS across the specialisation.

- The institute has Structured placement process for MMS students however. If the sufficient number of organisation register for other courses in regards to placement requirements then institute will display the information on placement notice board.
- The institute will organise various corporate events for students grooming and networking purpose. Students are advised to utilise and maximise the benefits.
- The weekly session of placement will be conducted. It is mandatory for all students to attend/participate and contribute in the placement related activities for their benefits and growth.

The placement Process is divided into 3 phases during an academic year:-

June to September

- Selection of student placement committee members
- Creation of student placement team
- Updating of website with student details
- Organizing corporate programme for students and career development programme
- Placement Brochure development and printing

October to January

- Company visit by students, placement committee members and placement officer
- Sheduling of company for on campus placement activity process for final placements
- Summer placement activity commencement

February to May

- Follow up with companies and procurement of appointment letters
- Preparation of placement reports, updating the list of companies, students and placement details.

B.M.S. Placements

Though the institute does not have a B.M.S. campus placement program like M.M.S. however the institute does take active interest in inviting organizations on campus as

per their business requirements for undergraduate students based on their eligibility and interest. Few of the organizations which visited for B.M.S. placements are: Sterling Backcheck, Lock and Lock, Muthoot Financial Services, Innovative Research Services Private Limited.

PRACTICAL (SUMMER) TRAINING

MMS students are expected to do summer training of 8 weeks for acquiring practical training and experience in Business /Industry. For this purpose the students will be placed in companies by the Institute. At the end of the training, each student will be required to submit a report based on his/her work experience which will be evaluated as part of MMS Curriculum.

Detailed Placement policy is available in the placement cell & will be informed to the students after their admission in the institute.

Placement Cell Activities
