VC's Message

I am happy to know that the Alkesh Dinesh Mody Institute for Financial and Management Studies is providing best possible opportunities to its students and is disseminating all the pertinent skills and the right attitude required for creating skilful employees. The institute is continuously striving to upgrade and develop student competency as per corporate requirements.

Institute is ensuring that students are well groomed professionally and are connected with right Industry mix.

Dr. Suhas Pednekar
Vice Chancellor

The institute has taken many initiatives to equip students academically & develop their capabilities. The institute is subscribing to Proquest and ACE Equity database (database of more than 24000 finance companies). Institute has SPSS and it also trains students in data analytics using SPSS.

Institute in association with German Department, University of Mumbai is also offering one year foreign language Certificate Program. Institute has also conducted Capital Market Overview sessions in tie up with BSE (Bombay Stock Exchange).

Apart from these, the institute has its own academic and placement activities which help the students to connect with corporate and alumni network. Institute regularly organizes various events like Round Table Conference, Mock Interview Session and Corporate Guest lecture on the theme of Campus to corporate.

This year, the institute has also set up Entrepreneurship Cell and has introduced Certificate program in Entrepreneurship in collaboration of NEN (Wadhwani Foundation).

I believe that all the efforts of institute are helping the Institute in setting new benchmarks in Management Education. Students of Alkesh Mody Institute for Financial and Management Studies hold right values, attitude that make them an asset for business organisations.

I wish Institute, students and faculty best of luck in all their endeavours.

Director's Message

Dear Recruiters,

It gives me an immense pleasure to welcome you to Alkesh Dinesh Mody Institute for Financial and Management Studies – A department of University of Mumbai. Institute is entering into its Silver Jubilee Year (2018-19). Institute is proud that in its last twenty five years it has relentlessly worked for building and nurturing management students that match corporate expectations. These efforts are reflected in Business school rankings and I am pleased to inform you that this year Institute has been ranked among the top 20 Government B- Schools by 'The Week –Mars Survey 2017'. The institute has also been ranked among top 100 B- Schools in the category of 'ROI' by 'Business Today – MDRA survey 2017'.

Dr. Smita Shukla

**I/c Director,
M.A., M.B.A, N.E.T,
Ph.D. (Management)**

Some of the initiatives made in the academic year 2018-19 that focus on student development are:-

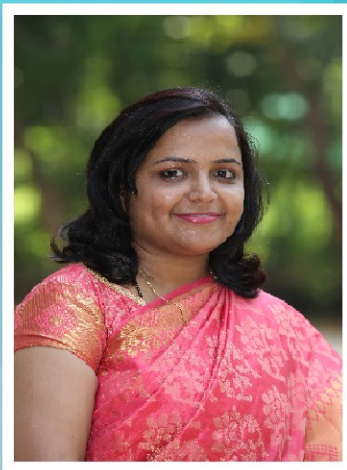

- Institute is offering of "Certificate course in German" for MMS Students in association with Department of German – University of Mumbai.
- Software tools like SPSS, Ace Equity database, and research database EBSCO are available at Institute to assist in building capabilities of management students to be employable.
- Apart from regular entrepreneurship and business interface activities, institute has been collaborating with NGOs to create a societal concern among students.
- Institute's E –cell has signed MOU with Lithan – a Singapore based organization and IIT Bombay. The E Cell is helping students to get connect with entrepreneurs and learn from their experiences.

The institute is striving to create future business leaders who can manage and create powerful organizations that can meet emerging market challenges. The course curriculum which has been recently revamped is industry oriented and provides an exposure for students to strengthen their theoretical knowledge with practical understanding. Efforts of the institute are complemented by the support it receives from its accomplished faculty and good infrastructure.

Institute maintains active association and interaction with industry. Institute also maintain active connect with its alumni and celebrates the accomplishment of its alumni regularly. Many of our alumni are receiving honors and awards from organizations and make us proud of their achievements and success. Our efforts are also being recognized by industry and campus offers for final and summer placements are reflection of the same. Many new companies are added on our database and our students are excelling their career with right offers from corporates. We look forward to build long lasting and mutually beneficial relationship with you and welcome you to campus placement process for the year 2018-19.

Placement Officer's Message

Dear Professionals,
I am very thankful to each one of you for your trust and support to ADMIS. Because of your support and association with us, the year 2018 brought much success to the institute. We have been ranked among top 20 Government B- Schools 2017 and among top 100 in terms of the highest ROI in the B-School survey conducted by reputed organizations like Week Mars and India Today B- School Survey 2017 in all over India. Apart from these, many of our alumni are reaching new heights and performing excellently in the organization and receiving many laurels from corporates. We believe that the success of our institute could not have been possible if you all had not shown your trust in us. Your timely suggestions, interventions and presence at the institute has made us a stable and recognized B- Schools.

Mrs. Kavita Pande
Placement Officer
M.A.(Gold Medalist #6)
M.M.M.

Your faith encourages us to work hard and put our best. On behalf of ADMI fraternity, I assure you that each one of us works hard to fulfil your expectations and work towards the best for the welfare of students and corporate expectations.

The year 2017-18 was a very satisfactory phase at ADMIS. We have seen almost diverse sectors on campus and registered around 117 companies for final placements and 67 companies for summer placements. We were able to provide 100 % placement opportunities to students across specialization in Finance, Marketing, HR and Operations with multiple options in final and summer placements. The innovative approach of placement cell in terms of the corporate interface had connected institute in many new firms and impressed them with ADMIS hospitality and talents of students.

I also thank our second association with Times of India to organize a job-fair at Mumbai University wherein almost 2000 students gave their interview and many of them got selected too in many organizations.

On behalf of institute placement cell, I urge corporates, alumni and students to keep coming to us and inspire us with your good deeds and wellbeing. The institute has a progressive perspective and welcomes each and every one who contribute to creating a difference in B-School progress and student's success.

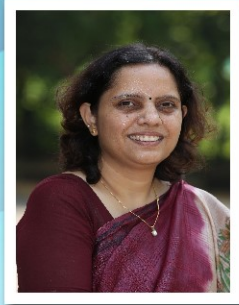

I welcome corporate professionals in this year and look forward to an everlasting association with us.

ZEST 2018

Zest has the vision of promoting all-round development of the students and gives them an opportunity to showcase their talent apart from academics. Be it sports, music, dance or arts, Zest inspires the students to give their creative best and also to have fun while creating beautiful memories.

Prarambh 2018

“Periods”, “Menstruation”, these are some of those topics which many people in our Indian society still hesitate to discuss freely in public. In order to change this type of mentality, Alkesh Dinesh Mody Institute, under the guidance and support from Smt. Poonam Mahajan (Member of Parliament, National President-BJYM), has taken an initiative through our campaign S.H.E(Standardising Hygiene Evolution) to create a social awareness on menstrual hygiene and to say ‘NO’ to all the misconceptions regarding menstruation. Smt. Poonam Mahajan encouraged all the students to come forward, contribute something to the society and set an example for others. Respected, Registrar of the University of Mumbai, Dr. Dinesh Kamble also shared his views on this critical issue.

INDUSTRY INTERFACE & STUDENT DEVELOPMENT ACTIVITIES

Job Fair 2018

Institute in association with The Times of India organized a first mega job fair at the University of Mumbai. The event witnessed the presence of 26 Companies from across sectors to hire the best talent. The Mega Job Fair gave the recruiters an opportunity to recruit eligible candidates & it was a perfect platform for jobseekers to interact with their prospective employers. There were around 2000 students who appeared and more than 200 applicants got the final placement offer. The Job Fair was inaugurated by the Hon'ble Vice Chancellor Dr. Suhas Pednekar, Director of University of Mumbai.

Medical Camp

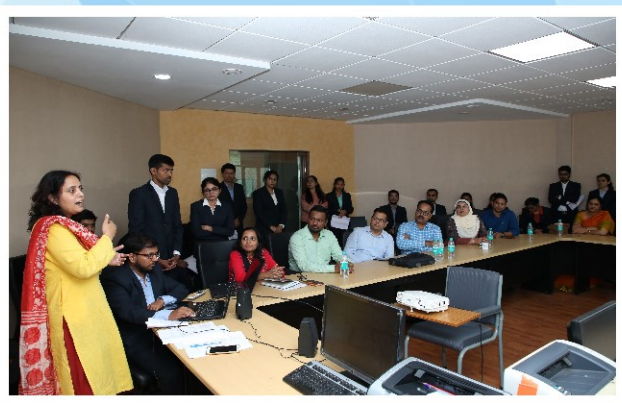

The Free Medical camp was organized at ADMI in association with Manraj Pratishthan & Seven Hills Hospital for all students & staff member on 16 January 2018. The event was successful & more than 200+ people came for the health check-up. As a responsible citizen, we believe in giving back to the society in all possible ways.

INDUSTRY INTERFACE & STUDENT DEVELOPMENT ACTIVITIES

Round Table Conference 2018

The SYMMS Students got an opportunity to interact with the Corporates who provided guidance and mentorship along with solving the doubts of the students. This activity provided a reality check and inspired the students to gear up for the final placements.

Internal Mock Interview 2018

They say 'Practice makes a man perfect' and with this aim in mind Institute organized the internal mock interview session where the SYMMS students got the chance to do their net practice before they go for their final interview process for campus placements.

Staff and faculty provided guidelines and helped students to hone their skills for better communication and presentation. The Objective of the activity is to meet the demand of the corporate world.

External Mock Interview 2018

Institute conducts every year mock interview session for SYMMS students before they appear for their final interview of campus placements to make them more confident and well equipped. There were 20 Senior corporate executives invited this year to do Mock rehearsals of students in the specialization of Finance, Marketing, Human Resource & Operations as per corporate parameters. They evaluated students on the parameters of Basic Introduction (Opening and Closing), Soft skills, Competency and Analytical Skills, Appearance and Presentation, Subject knowledge and Current affairs. This Activity helped students to analyze their weak areas in order to work hard to get placed in various organizations.
