About ADMIFMS

Alkesh Dinesh Mody Institute for Financial and Management Studies was established in the year 1994 as a department of University of Mumbai, offering management education with a focus of financial services and Investment Studies.

The institute is awarded with prestigious awards like 'B-School with Best Academic Input Syllabus in Finance' by Dewang Mehta B-School Award and ABP news B-School award for 'Best B-School with Excellent Industry Interface'.

As per Week- Hansa Best B School of Research Survey 2018, Institute has been accorded 93 rank among top 150 B schools

Course Details:

M. Sc. in Finance concentrates on a wide variety of questions facing financial specialists. The programme focuses on financial decision making from a management perspective.

The programme is divided into four semesters

- The First semester introduces the students to the environment of finance and basic tools of analysis
- The second semester equips the students with advanced tools such as econometrics and financial modelling and an exposure to the area of corporate finance and fixed income securities
- The third semester exposes the students with advance techniques and tools such as technical analysis, portfolio analysis, and derivatives
- The fourth semester involves students with course work in advanced topics such as mergers and acquisitions, structured finance, risk management and international finance.

Objectives:

Top finance jobs demand a sharp decision maker; someone with ability to grasp the finest details, as well as their significance to the bigger picture.

The Master of Science in Finance course is structured to deliver a strong foundation in the principles and practice of finance, and the analytical tools and skills to form a sound basis for financial decision making.

The objective of this course is to help **individuals, and the organisations which employ them**, enhance their effectiveness within the field of finance

Placement:

The Institute has a dynamic and well established Placement cell that plans, designs and executes value added programs such as personality development, technical training, personal interviews preparation and aims to bridge the gap between campus and corporate to make the students employable and skilled for meeting the needs of the industry.

The course has 2 months summer internship.

Assistance will be provided for the Final Placement.
