### MESSAGE FOR MMS PLACEMENT BROCHURE 2021-22

*This year, the University of Mumbai has been awarded with highest NAAC grade of A++ (CGPA 3.65). Alkesh Dinesh Mody Institute for Financial and Management Studies, a department of University of Mumbai, was one of the assessed departments of the University and contributed extensively in the University's journey of success in the NAAC grading.*

*The institute has been providing multiple opportunities to the MMS students to upgrade pertinent skills and aptitude required for becoming ideal corporate. The Institute is also providing platform to students to network with industry professionals. I am happy to know that in the academic year 2020-21, continuous support of corporate executives helped the institute to provide multiple placement opportunities to its students and that the companies from various domain areas visited the campus and this includes: Consulting, Rating Agencies, Fintech, Digital Agencies, E-Commerce, IT/ITes, Telecom, Ed-tech, Media, Energy, NBFC, Banking, Production, FMCG, and Manufacturing, etc.*

*I am also glad to note that in spite of pandemic challenges, the institute has provided 100 percent summer placement opportunities to the students to work from home. The final placement of MMS students though not hundred percent has been satisfactory in view of pandemic situation. Several students have got dual summer internship offers with stipends. The newly launched M.Sc. Finance program was well-received by corporates and is progressing further to be recognised as market oriented course. I congratulate the institute for the energy, enthusiasm and commitment exhibited.*

*The Institute has also quickly adapted to the digital education and has organized many national and international webinars and has collaborated with reputed organizations to bridge the industry-academia connect. The institute has been recognised and has been rated among top 100 B schools in India in Times B-School Ranking 2020-21. I am also happy to know that several MMS students have participated in the intercollegiate events and have won various competitions.*

*I welcome the industry to be a part of the growth journey of the institute and to partner in mutually beneficial placement process.*

Dear Recruiters,

This year, the University of Mumbai has been awarded with highest NAAC grade of A++ (CGPA 3.65). Alkesh Dinesh Mody Institute for Financial and Management Studies, a department of the University of Mumbai, was one of the assessed departments of the University and contributed extensively in the University's journey of success in the NAAC grading. The institute has been relentlessly taking an endeavor to develop institute as per corporate and students' expectations. The institute also has been recognized and rated among top 100 B schools in India in Times B-School Ranking 2020-21.

Some of the highlights of activities focusing on student development in the last academic year are as follows:

- Keynote Financial Services Limited has instituted the 'Keynote Award for Academic Excellence' at Institute with scholarship for a male and a female student securing the highest marks in first year of program. Under the scheme, the deserving students were identified and awarded.
- Institute has continued to offer a 'Certificate course in German' for MMS Students in association with Department of German, University of Mumbai.
- The software tools SPSS and Proquest have been available for building the capabilities of management students to be employable. The institute also received support from AICTE for the subscription of SCOPUS database.
- Institute has collaborated with many organizations like Youth4Jobs, Vans Skilling, Kaash Foundation, Emerge Finishing School, MCX and others in organizing international and national webinars on varied themes related with corporate trends and student development.
- Numerous virtual 'Coffee with Alumni' lecture sessions have connected existing students with Alumni for mentorship.
- The E - Cell is helping students to connect with entrepreneurs and learn from their experiences. The students of Institute have also performed well in various national competitions organized by reputed institutes and organizations and won many laurels.

The curriculum of programs offered is industry oriented and provides an exposure to students to strengthen their theoretical knowledge with hands on practical internship opportunities. Efforts of the institute are complemented by the support it receives from its accomplished faculty which in spite of pandemic challenge, have continued to offer the management programs in structured fashion in online format in view of the COVID guidelines.

The institute was successful in providing hundred percent summer placement to the students in work from home mode. The final placement of MMS students, though not hundred percent, has been satisfactory in view of pandemic situation. The newly launched M.Sc. Finance program was well-received by corporates.

The institute looks forward to building long-lasting and mutually beneficial relationship with you and welcomes you to campus placement process for the year 2021-22.

# Placement Officer's Message

**Mrs. KAVITA PANDEY (MISHRA)**

Placement Officer

**MH- SET (Management);**

**M.M.M., M. A.**

Dear Recruiters,

I am very happy to present the Institute Placement Brochure which comprises information related to Institute activities for the year 2020-21. Every effort, which we have taken at Institute, was an attempt to provide opportunities to the M.M.S. & M.Sc. Finance students to excel in their career and life. The Institute works relentlessly to work towards corporate expectations. The placement cell is committed to bridge industry-academia relationships.

Though there are unlimited challenges and concerns, our commitment and perseverance are constant and progressive. The Institute has maintained its active association with industry. The Institute is also glad and express gratitude towards the support which we received from companies across industries. Because of the active participation and support we received from our corporate associates, the summer and final placements ended with rising numbers.

The Institute has provided 100 percent virtual summer placement opportunities to the students due to pandemic. The final placement of MMS students has also been satisfactory considering the market situation. Several students have got dual summer internship offers with stipends. The M.Sc. Finance program was also well-received by corporates. The enthusiasm and eagerness of students were well-received by corporate. Companies from varied domain areas offered opportunities such as Consulting, Rating Agencies, Fintech, Digital Agencies, E-Commerce, IT/ ITes, Telecom, Ed-tech, media, energy, NBFC, Banking, Production, FMCG, and Manufacturing, etc.

The lockdown period has also given us the opportunities to connect professionals and senior alumni of Institute across the world. This year, the placement cell has organized many students' development activities and conducted a mix of activities include industry and academic professionals.

On behalf of the Institute placement cell, I urge corporate professionals, alumni, and students to keep visiting us and inspire us with your good deeds and well-being. The Institute has a progressive perspective and welcomes each and everyone who contributes in B school progress and student success.

I welcome corporate professionals this year and look forward to an everlasting association with us.

# Lockdown Diary 2.0

Bringing out the best in you- Lockdown (Partial) and Placements at  
ADMIFMS, University of Mumbai

***“Look at the sky. We are not alone. The whole universe is friendly to us & conspires only to give the best to those who dream and work”.***

***– Dr. A.P.J. Abdul Kalam***

The year 2021 was a challenging and difficult year. Though we all have observed the impact of Covid-19 regarding campus placement opportunities which was very limited, the recovery of economic scenarios and support from industries for young graduates were very encouraging. The placement cell of Institute is very proud of its corporate connect and their concern towards the students of institute. The Institute placement cell has organized many national and international webinars virtually and invited industry experts. The industry experts guided students on relevant topics such as self-discovery, building an effective resume, art of networking, corporate etiquette, face the interview, 90 days in job, etc. The first virtual Round table Conference also provided a platform to students to connect with industry professionals from various industries and clarify their doubts related with available opportunities and challenges in the relevant industry. The placement cell of Institute functions as an intermediary between companies and students and assist students to get the guidance, mentoring, networking and placement opportunities.

The Institute is thankful for the support and trust received from the corporate associates and alumni. They were the ones who stood with us and supported the Institute's placement cell activities wholeheartedly. The placement season of this year like previous year, was also extended and new opportunities were explored for placing students. Because of the support of stakeholders, we were able to achieve 100 percent summer internships with paid stipends and 100 percent final placement opportunities to students with the highest package of 7 Lacs PA. Institute had worked hard to provide maximum opportunities to students. Various industry events at national and international level helped students to get global exposure and outlook. The performance of students during summer internships were appreciated by the corporate. **Ms. Kinjal Surti**, the MMS student, received the **“BEST SUMMER INTERNSHIP AWARD 2021”** for her exceptional summer report by Yugma Vanskilling Limited and **Mr. Aniket Pawar, MMS Student won several case study** competitions during this period from well-reputed institutions. M.Sc. Finance, a new course launched in the year 2019 was also well-received by corporate. Students were provided 100 percent placement opportunities in final and summer placements for this course too.

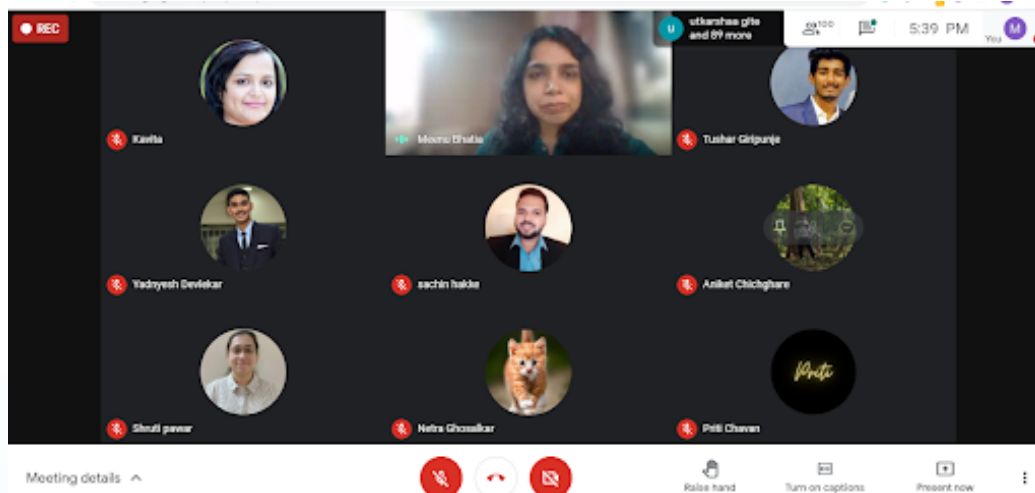

Dr. Smita Shukla, In-charge Director, highlights that-

“Challenges faced by the Placement Cell during a pandemic are unique. Pandemic is a black swan event. No background work or experience can be applied to deal with this unique and once-in-a-lifetime event. What makes us proud as an institution is a way the Placement Cell rose up to the challenge. Right in the initial first month of the start of lockdown (March-April 2020), the Institution had decided against opting for in-house summer internship projects. We felt that such in-house projects would not provide the students with actual market experience and company rigor. The placement cell was asked to explore online summer placement and final opportunities with regular partner companies and to look beyond them if required. The placement cell not only succeeded in ensuring 100% summer placement opportunities for the students but also secured several summer internship opportunities with stipends. Several students, in fact, used the lockdown period gainfully by doing more than one internship project. The momentum for the final placements was also well maintained and was successful in spite of the testing time”.

## 'Campus to Corporate Guest Lecture Series'

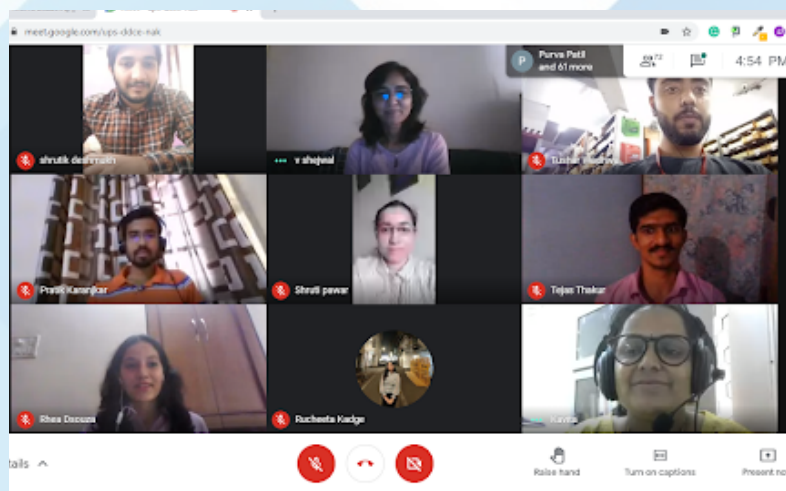

### Constructing Effective Resume Writing -15th March, 2021

Ms. Meenu Bhatia, Co-founder of YUGMA & VANS Skilling and Advisory regaled students on "Effective Resume Writing" shared some important tips on how to build an effective resume. She highlighted that the demand for a candidate depends on how they design their resume. Ms. Bhatia also encouraged students to customize their resumes differently for every company to suit their varied job requirements. Her sessions helped students in planning their future endeavors.

### A career in Financial Services- 27th March, 2021

# About ADMIFMS

**Late Shri Alkesh Dinesh Mody**

With a vision of delivering the highest quality management education to the students in a dynamic environment of mutual learning, teamwork, and support, Alkesh Dinesh Mody Institute for Financial and Management Studies came into existence in 1994. Alkesh Dinesh Mody Institute was Co-founded by Dineshbhai Mody in loving memory of his son Late Alkeshbhai D. Mody. Initially, the institute was established in the year 1994 as a Department of the University of Mumbai for offering management education with a focus on financial services. The institute was established in response to the growing need of Indian managers and investors who could handle business and Capital Market operations in a rapidly changing business and financial environment.

Located at the Kalina campus (Vidyanagari) of the University of Mumbai, the institute works towards its mission of bridging the industry-academia relationship and preparing effective managers who could lead with their humble attitude and management knowledge.

## The Core Values

The institute believes in imparting its students with values like commitment, quest for excellence and learning, community engagement, respect for diversity, globalization, ethics, social responsibility, knowledge creation and application.

The core values are the backbone of any educational institute. The values Alkesh Dinesh Mody Institute abides are:

**Achievement:** It includes attaining personal success in a range of human endeavors, pursuing individual excellence, and displaying pride and satisfaction in personal achievement and the achievements of the organization.

**Creativity:** It includes valuing original ideas, demonstrating enterprise and innovation, and engaging and responding to the aesthetic qualities of the created and constructed world.

**Excellence:** It includes striving for excellence in teaching through academic rigor and relevance.

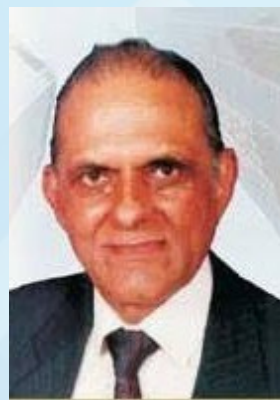

**Integrity:** It includes faithfulness, truth, discernment, and acting honestly, ethically and consistently.

**Resilience:** It includes recognizing strengths and maximizing potential; developing self-management, self-confidence and self-respect; and nurturing optimism, joy, perseverance, well-being, and peace.

**Responsibility:** It includes stewardship and accepting both individual and collective responsibility for contributing to sustainable community and its development.

*These values are universally and eternally relevant.*

The logo of the Institute is '**Erudition, Faith and Character**' which negates Injustice, Immortality, and Greed in every domain of life, opening up new frontiers, discovering new horizons, where science and spirituality make their tryst with destiny.

**Shri. Dineshbhai Mody
