From the Placement Desk

Mrs. Kavita Pandey(Mishra)

Placement Officer
M.A. (Gold Medallist 06), M.M.M.

Dear Recruiters,

Every year, the institute welcomes recruiters and corporate professionals to visit on campus and interact with our MMS students. As a growing management institute, we take lots of endeavors for student's development and bridge industry-academia relationships. The more details regarding our initiatives you will see in the brochure which we have systematically presented here. We understand that corporate looks forward to us and as an institute we are committed to fulfill their expectations.

The year 2014-15 was a satisfactory year for us. The institute has got a remarkable support from their regular recruiters, corporate professionals and alumni. We are very proud of it and we appreciate their association with us.

From this year onwards the syllabus of MMS course has been changed. The University has introduced the concept of winter internship for MMS students along with their summer internship and final campus placements. I believe that along with final and summer placements, the recruiters will help us and students to get the right project as per their specializations and interest.

I welcome you for Campus placements and pray for our everlasting corporate relationship. Kindly communicate us your business requirements for MMS students in regards to final, winter or summer placements 2015-16 on placements@admi.mu.ac.in.
