

Alkesh Dinesh Mody Institute for Financial and Management Studies

Alumni Committee

A strong Alumni base is one of the formidable strengths for any elite institute. Thereby, Alumni Committee acts as a platform where the existing students and the alumni can interact for a healthy, mutually beneficial relationship.

The Alumni Committee of Alkesh Dinesh Modi Institute is one such association that aims to foster and sustain this ever-strengthening bond between our esteemed alumni and the present students in the college. With many of our alumni reaching new milestones in their corporate and entrepreneurial careers, they have set steep benchmarks for their successors to follow. The purpose of our committee is to provide a platform that enables students to learn from our alumni, through their experiences by giving them opportunities to share. The Alumni Committee not only aims alumni engagement but also complements other committees by helping them leverage a strong alumni foundation.
